

Proudly present:

Liquid Chromatography & Mass Spectrometry Seminar

Richmonde Hotel Ortigas

Sequoia Redwood Rm, 3rd Floor,
San Miguel Ave, Pasig City

29 September 2015

FEATURED SPEAKERS

Dr. Goh Lin-Tang

Senior Product Manager,
Thermo Fisher Scientific
15 years of mass
spectrometry experience
from previous employment in
research and industry

Ms. Novel Chew

Regional Product Manager,
Thermo Fisher Scientific
13 years of experience in the
field of chromatography,
spectroscopy consumables
and analytical instrument
sales

SEMINAR AGENDA

Time		Duration (min)	Topic	Speaker
From	To			
8:45 AM	9:15 AM	0:30	Registration	
9:15 AM	9:30 AM	0:15	Introduction	Ms Heidi Santos Bate (Sales Mgr, Brownstone)
9:30 AM	10:00 AM	0:30	Liquid Chromatography: History, General Principles and Current Instrumentation	Ms Novel Chew
10:00 AM	10:30 AM	0:30	Mass Spectrometry: History, General Principles and Current Instrumentation	Dr Lin-Tang GOH
10:30 AM	11:00 AM	0:30	Tea Break	
11:00 AM	11:30 AM	0:30	Applications of Liquid Chromatography & Its Use as the MS Inlet	Ms Novel Chew
11:30 AM	12:00 PM	0:30	LC-Triple Quadrupole MS: A Multi-Analyte Quantitation Platform	Dr Lin-Tang GOH
12:00 PM	1:30 PM	1:30	Lunch and networking	
1:30 PM	2:30 PM	1:00	Next Generation High Resolution MS: A Decade of Orbitrap-based Mass Spectrometry Contributions	Dr Lin-Tang GOH
2:30 PM			End of Seminar	

REGISTRATION FORM

Name:
Company/Institution:
Email:
Phone Number:

For further information please contact:

Ms. Glenn Serrano / Mr. John Paul Arive:

Tel. Nos. : (02) 532-4310/861-1772

Mobile : 0920-454-0327

Fax : (02) 531-6518

Email Address : batinc@pltdtsl.net

This Seminar is limited to 50 slots
